

2016 BSSC FALL BROOMBALL

“For people who enjoy sports but love to socialize.”

To sign up a team in this BSSC sport you must currently have a minimum of 12 players.

If you do not have the minimum amount, sign up your group as individuals who would like to play on the same team. Put in the online comments that you would like to coach an ALL INDIVIDUAL team with your players as the cornerstone.

Determine the average athletic ability of your players **BEFORE** selecting the division. Any coach who deliberately signs up a team in a division below their athletic ability (see definitions below) will be removed from the BSSC and their registration fee will not be refunded.

BSSC DIVISIONS AVAILABLE FOR YOU TO SIGN UP A TEAM

EXTREME SOCIAL: Teams/individuals with **INTERMEDIATE** athletic skills and love to socialize
Sub leagues of Extreme Social:

Tastes Great: Higher intermediate athletic skills

Less Filling: Lower intermediate athletic skills

- BSSC signups do not follow a first come/first serve format.
- Coaches must pay the \$200 ONLINE registration fee to guarantee a spot in the league.
- Once the BSSC has entered a coach's name online for the current season, the \$200 deposit paid at sign-ups is non-refundable.
- Teams that played in the league last season will get first priority and are considered a "returning" team. If a team splits in two, the original coach will have the guaranteed spot and the expansion team will be considered "new."
- Once tee shirts are ordered, teams are responsible for the total remaining team balance.
